#### HIS MESSAGE ...

The Institutions of Dharmasthala are committed to giving access to quality education well blended with values.

"Samyak Jnaan" - Right Knowledge is the Main Theme of The University. There is no equivalent to Knowledge. Students trained at Shri Dharmasthala Manjunatheshwara University should go out as Professionals with a service motto. They should perform well in all walks of life across the world.

Dr Niranjan Kumar and his team is working towards fulfilling the University's Vision and Mission. As a Chancellor my support for every initiative taken up by this University will always be there.

The University has a special responsibility to come upto the expectation of the Society & Nation. I pray Lord Manjunatha to bless all to take the University to greater heights of success.

#### HIS STATEMENT ...

I am pleased to present the 2<sup>nd</sup> Annual Report for the year ended 31<sup>st</sup> March 2020. Many of the new academic programs we launched in 2019 has been well received and our team has executed it well. Our potential to grow starts with our dedicated faculty. I want to thank all our employees for their immense hard work. The journey has just begun and we aspire to make our University a center of excellence.

During the last 3 months of the financial year, the unprecedented challenges of COVID-19 Pandemic is creating panic in the Society. The University pitched in to help people and the Government battle the pandemic. Our priority has been the welfare of the society, safety of our students & employees. I pray to Lord Manjunatheshwara to bless us all to reach greater heights.

Stay Safe ...

Lt Col U. S. Dinesh (Retd)
REGISTRAR

This Report is prepared in pursuance of Section 52 of the Shri Dharmasthala Manjunatheshwara University Act, 2018 (Karnataka Act No. 19 of 2018).

The Second Annual Report for the period between 1st April 2019 to 31st March 2020 of the University has been prepared under the direction of Board of Management and approved by Board of Governors in its 6th meeting held on 29th December 2020 and forwarded to the Government of Karnataka vide Lt.No. SDMU/AR02/2020/19, dt: 12-Jan-2020.

The Report gives a synoptic view of the organizational structure and activities undertaken during the previous financial year. The Report also mentions various special initiatives taken during the year.

#### ABOUT THE UNIVERSITY

The Shri Dharmasthala Manjunatheshwara University was established on 19<sup>th</sup> December 2018 by an Act of the Govt. of Karnataka No.19 of 2018 and vide Govt. of Karnataka Notification No.ED 261 URC 2018 dated: 19<sup>th</sup> December 2018, as a State Private University of the State of Karnataka, of unitary nature, at Sattur, Dharwad.

The University has been sponsored by the Shri Dharmasthala Manjunatheshwara Education (SDME) Society, Ujire, D. K., Karnataka. SDME Society is a premier non-profit educational organization, functioning under the sacred aegis of Shree Kshethra Dharmasthala and under the able guidance of its distinguished president, Dr. D. Veerendra Heggade.

The SDM Educational Society has been in the field of Education & Health Care since 1903, dating back to the starting of the Gurukula "Siddhavana" by Late Shri Manjayya Heggade. Later, the SDME Trust was started by Late Shri D. Rathnavarma Heggade. The legacy was continued and brought to its present glory by Shri D. Veerendra Heggade.

The University has been established to meet the growing needs of the community for the higher education of higher quality, a tradition and value that SDME Society has upheld to this day.

The University has been working tirelessly to reach greater heights in its pursuit of excellence in higher education with the visionary thinking of the Hon'ble Chancellor Shri Veerendra Heggade and able leadership of the Vice Chancellor Dr Niranjan Kumar, a renowned Plastic Surgeon and the directions of the vigilant Board of Governors.

The University has implemented paperless governance across important sections including Administration, Accounts, Student Admissions & Examinations. Within the short span of two years, the University has become the top emerging University of the Region and the Country.

#### **OBJECTIVES**

To expand the horizon of world knowledge, provide instruction, teaching and learning including writing and reading, training, research and development at various levels in the following faculties:

- 1. Presently: In the field of Health Sciences & Research
- In future: Engineering & Technology, Management, Natural Sciences, Humanities & Social Sciences.

#### **VISION**

Shri Dharmasthala Manjunatheshwara University will set the highest standards of teaching and learning, by awakening the intelligence of the students and nurturing the creativity hidden in them, by creating an environment where the ancient wisdom blends with modern science, to transform them into whole human beings to face the challenges.

#### **MISSION**

- To ensure that the journey of education is inspiring, pleasant and enjoyable.
- Attract the best of teachers and students.
- Achieve high principles of trust, love and spirituality in the students.
- Create a collaborative, diverse and exclusive community.
- Transform the student of today, to be a leader of tomorrow and a better human being.
- Produce passionate teachers.
- Evolve innovative teaching techniques.
- Create a peaceful environment.
- Prepare the student to face the social challenges.
- Create a University of which the Nation is proud of.
- Be an effective partner in Nation Building.
- Create an Eco-friendly University.
- Create a University based on the principles of beauty, love and justice.
- OM SHANTI! SHANTI! SHANTI!

#### THE EMBLEM

Poojya Dr D. Veerendra Heggade, Hon'ble Chancellor of the University, while searching for an appropriate Logo for the University, saw a photograph picked from Temple Architecture showing Wings of a Bird, sculpted in Indian style. He wanted it to be incorporated in the logo for the University, as the Wings symbolize 'Spreading of Knowledge beyond Boundaries'. Further it was felt that the Central theme of the logo should be 'Rudra' (The Linga) with three wings on each side. In this way, the logo of the University was conceptualized.

The Central Part represents ...

Rudra who demolishes the Darkness

Three Lines Across Linga stand for ...

Samyak Darshan - Right Belief Samyak Gyan - Right Knowledge Samyak Charithra - Right Conduct

The Wings symbolize ...

Spreading of Knowledge across the Boundaries

The Base: 'Truth Liberates' highlights ...

The Purpose of Education: To liberate oneself unconditionally. It shows that it is not discipline, nor knowledge nor the efforts to freedom that liberate but Truth is what liberates you from all your conditioning and ignorance.

#### **OVERALL SIGNIFICANCE**

Darkness of Ignorance is destroyed by the Flow of Knowledge to bring Liberty to Everyone, by realising the Truth. And, it should spread globally without the boundaries as hindrance.

#### **STRENGTHS**

- Supported by an experienced Sponsoring Body
- Guided by a visionary and dynamic Leader Rev D Veerendra Heggade
- It will be one of the First State Private University in Northern Karnataka aimed at contributing to the growth of the region
- Qualified and Experienced Teaching Faculty for High Quality Teaching-Learning, Training and Evaluation
- State of the art Infrastructure, Adequate Resources for Financial Viability and long term Sustainability of the University
- Providing affordable Higher Education to students
- Providing Health Services of high standards at affordable costs
- Producing trained Health Workers to meet global demand
- Creating Job Opportunities

#### **GUIDING FORCE**

## **Eco-Friendly Initiatives**

Keeping up one of the Mission Statements of our University, students are barred from possessing or using any sort of two/four wheeler motor vehicles inside the Campus. Instead, they are encouraged to use bicycles within the campus. Bicycles are made available in abundance for encouraging pollution-free campus.

Recycling of waste water and Solar Energy for water heating are practiced in all the hospitals and hostels. Further, the whole campus is a totally vegetarian campus. Also, use of tobacco & other addictive substances in any form is strictly banned.

# **Horticulture**

The University has a separate department for looking after the greenery of the campus. There are more than 2500 trees and more 50,000 plants and saplings.

The constituent institutes have regularly participated in the Gardening Competition of the Dharwad District conducted in the month of October/January and almost always bags either the first or second prize.
